

# 6th Grade Spanish

Profe Michael Turner

## Overview

We will learn introductory Spanish phrases, responses, and Hispanic culture through a variety of texts, games, conversations, and videos.

## 1 Expectations

You are expected to:

## 2 Work

All classwork, and homework is expected on the day that it is due, unless you are absent.

You are expected to participate, and that is part of your overall classroom grade. Participation can be helping pass out papers, answering questions, or even helping other students.

Any work may be turned in late, but for 1/2 (50% credit), unless you are excused absent.

You may "Request to Retest" on ANY exam/quiz except your final exam. Please ask Profe for a form if you wish to do so. All Retests are done BEFORE or AFTER school.

## 3 Tips and Tricks

Not sure? Look around, ask a friend, or Profe, when appropriate!

Use your brain first, then your devices, only with permission!

Participating in the classroom games will HELP your grade!

Are you forgetful? Ask for an extra copy of notes!

Running late? Make sure you have a pass before coming in!

### Devices should only be out WITH permission

Unauthorized device use will result in loss of technology use for the semester.

## 4 Pen/Paper vs Technology

You will need something to write with EVERY day.

You will also need a binder, or folder to keep and organize your handouts, work, and assignments.

WRITING shows that actually WRITING down things, helps you remember them!

I LOVE technology. We will use it various times throughout the school year, and you can access all of your assignments digitally via Google Classroom. (Ask Profe for the code)

You can also see all of your vocab on Quizlet.

You can only use your device WITH permission.

## 5 Grades

If you are absent, please check Google Classroom or the Absent Binder, for your missing work.

You have the number of days you were absent to make it up. If it is late, it is automatically 50% off. 1/2 Credit is ALWAYS better than NO credit. So please turn it in!

YOU are responsible to discuss missed assignments, or tests. Make sure you schedule make-ups with me!
